

Thanks for downloading the FREE Xmas Collection for Polysynth

Copy the Preset Files into your Bitwig Studio Library folder:

Mac HD/User/Documents/Bitwig Studio/Library/Presets/Polysynth

The Presets will show up in your Bitwig Studio next time you start the program.

Enjoy and have fun tweaking. For any questions write me an email to
ralph@noizebusters.ch

Merry Xmas and a good jump to 2016 !

All the best
Ralph K. Freund
